**COMMENTS ON STATEMENT OF REASONS
FOR ALLOWANCE UNDER 37 CFR §1.104(E)**

Mail Stop ISSUE FEE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant has received the Examiner's Statement of Reasons for Allowance with the August 3, 2004 Notices of Allowance and Allowability regarding the above-identified application. Entry of the Statement into the record should not be construed as any agreement with or acquiescence in the reasoning stated by the Examiner. Each of the claims stands on its own merits and is patentable because of the combination it recites and not because of the presence or absence of any one particular element.

In particular, Applicant respectfully proposes that the Statement of Reasons for Allowance would more accurately reflect the current claims if it read as follows:

sf-1776467

Application No.: 09/865,215

2

Docket No.: 249212015000

"Claims 1, 3-10, 12-20, and 22-39, which are now renumbered as claims 1-36, are allowable over the prior art of record because none of the prior art of record teaches or fairly suggests a system, apparatus or method for controlling a data head in a tape drive, comprising: determining signal quality based on user data read from a data track; and adjusting the position of the data head until a predetermined level of improvement in the signal quality is achieved."

The amended Statement more accurately reflects the language of the current claims. For example, the claims recite controlling a data head in a tape drive, not in a disk drive.

If the Examiner agrees with the proposed language, Applicant respectfully requests that the Examiner issue a Supplemental Statement of Reasons for Allowance.

The Examiner's Statement was not prepared by Applicant and only contains the Examiner's possible positions in one or more reasons for allowability. Thus, any interpretation with respect to the Examiner's Statement of Reasons for Allowance should not be imputed to the Applicant.

In the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 249212015000. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: 11/3/04

Respectfully submitted,

By Robert A. Saltzberg
